Continuation of Substance of Interview including description of the general nature of what was discussed: The status of the application was briefly discussed. Applicant indicated that it had not been his intention to abandon the application. The examiner noted that applicant's former representative (whose Request to Withdraw filed in March 2005 was granted in August 2005) did not respond to a Notice of Non-compliant amendment mailed January 12, 2005; however, the examiner also noted that while the Office's records indicate that this Notice was mailed with a Notice of Rescinded Abandonment on 1/12/2005, copies of both of these papers are missing from the Office's electronic file, indicating the possibility of an error on the part of the Office. The examiner suggested calling this to the attention of applicant's new attorney, who is not yet of record in the case. The examiner noted that applicant may petition to revive the application, and indicated that she would be happy to discuss the case with applicant's new attorney once he is of record in the case.
